

Gang Terms & Conditions

Gang print runs are a cost effective solution to keep print production costs to a minimum for our clients. Ensuring that they receive value for their money, while supplying an accelerated print turnaround.

Colour Variation

Your print job is printed with other clients, slight colour variation can be a by product in order to satisfy all print jobs placed on the one run.

Document Sizes

To create a quick workflow of print jobs we have standard print sizes for the gang runs they are: A2, A3, A4, A5, A6, DL, 55mm x 90mm. We are willing to accept other document sizes but this may result in an additional production cost.

Print Ready File

Gang print run pricing is based on the artwork being supplied as a print ready PDF. If this cannot be supplied an additional cost may be charged.

Find our Specifications & File Requirements at www.whoprinting.com.au/support
